

Directions from NYC East Side

Take FDR Parkway North to the Willis Ave Bridge to the Bronx and get to your left and make the first left turn after bridge and get on Major Deagan Expressway North. Take that until it becomes the NYS Thruway. You can either take the Thruway all the way to Route 90 or take the Saw Mill Parkway to the Taconic Parkway North (towards Albany) to Route 90. It is over 100 miles to Route 90 East (towards Boston). It becomes the Massachusetts Turnpike and get off at exit 2, Lee. Make a right turn at end of exit ramp on to Route 20 West towards Lee. Go straight at the stop sign in Lee, even though Route 20 turns right. We are one half mile from the stop sign on your left.
